SESSION LEADERS

Daniel "Snooky" Cruz

Snooky spent many years with the US DEA (Drug Enforcement Administration) as a criminal investigator and NICA (National Intelligence and Coordinating Agency, known as Philippine CIA). He has trained most of the country's judges, as well as senior leaders in government, AFP, PNP and business etc. Snooky leads security assignments throughout SE Asia for high profile leaders including Malaysian Opposition Leader Anwar Ibrahim, Bill Gates, etc.

Snooky was recently at the center of allegations that he provided President Duterte with confidential and embarrassing information on Senators Trillanes and De Lima. Both Snooky and Duterte officially deny the accusations although the headline grabbing intelligence seemed to come at a convenient time for the President. Snooky's intelligence work was also critical for shutting down active funders of ISIS cells across the country and apprehending participants.

Tim Waid

Tim spent many years with the US Marine Corps and is now one of the world's premier proponents of Pekiti-Tirsia Kali (PTK), the ancient martial art of the Philippines. He developed and conducted the official training system used by elite units of the Armed Forces of the Philippines (AFP) and the Philippine National Police (PNP). Tim's work marked the return of authentic Filipino Martial Arts to Philippine military doctrine. He is also a primary force in developing PTK in the United States and throughout the world.
